09/24/7	Parish Matters & Maintenance a) Housing Needs Survey Cllrs Mycock and Westwood took part in a Teams Meeting on Friday 12 th July and confirmed the need for a survey to assess demand for new housing in Flagg. Flyers informing of Flagg's involvement have appeared on local social media and Cllr Morgan has received 2 flyers, one to be distributed with the Peak Advertiser and one for the village noticeboard. Cllr Morgan will confirm that these actions have been taken. b) Beer Festival/Fell Run Report Both events took place on the same day and were extremely successful. It was agreed that they should take place again on Friday 22 nd August next year. Money raised has yet to be finalised, but will be distributed between Community First Responders, who require a Trauma Blood Kit; Flagg Village Hall heating improvements and the purchase of an extra Defibrillator. Final decisions will be made at the next PC meeting. c) CFR Group Set up Stephen Trowbridge and people from surrounding villages have been talking to East Midlands Ambulance Service (EMAS) about setting up a local CFR (Community First								

	Responders) group. They now have agreement and it is proposed that it will cover Flagg, Biggin, Earl Sterndale, Monyash and Hartington. Mr Trowbridge is acting as co-ordinator for the group and an interim committee is in place to get the group up and running. Initially just the support of the Parish Council is being requested but in future there may be a request for a small amount of funding to buy specialised pieces of kit not supplied by EMAS, for example, a trauma/blood kit. These kits are extremely important in a rural/farming environment and PC support would be much appreciated. Cllr Morgan agreed to contact Mr Trowbridge to confirm PC support. d) Flagg Representatives at Community Meeting Derbyshire Community Hubs Network invited representatives from Flagg to attend one of their community led events, to take place in Hartington on 1st October 2024 from 10.30am until 2pm. The purpose of the meetings, which will take place between 20th September and 15th October, is to provide diverse opportunities for people to share and develop life-improving issues. Two places have been reserved. Mr Stephen Trowbridge has expressed his willingness to attend. Parish Councillors are unfortunately not available on weekdays, so a second place is currently vacant. e) Cllr Morgan has received a request from a resident, who currently rents The Doms from FPC, to reinstate the pond. A formal request will be asked for in order to ensure accurate records can be kept. f) Following the advice given to Mrs Christine Mellor by FPC that planning permission may be needed regarding placing a Memorial Bench on the verge between Ivy House Farm and The Orchard, the Planning Advisor at Peak District confirmed , that if the proposed installation of the new bench is being carried out on behalf of the Parish Council, planning consent will not be required. Cllr Morgan agreed to confirm PC involvement.
09/24/8	Date of next meeting This will be held on Monday November 11th 2024, starting at 6.30pm in Flagg Village Hall.
